.....
Huh..?
Too bright...
Ah~! You're awake!
Eh?
Hello!

My most sincere thanks for freeing me from the bracelet!
My name is Gu Yanran! Let's be friends?
.....

It's thanks to you that I was saved!
Wait...
A gh...ghost?!
That horrible bracelet sealed me for so many years without any explanation!
.....

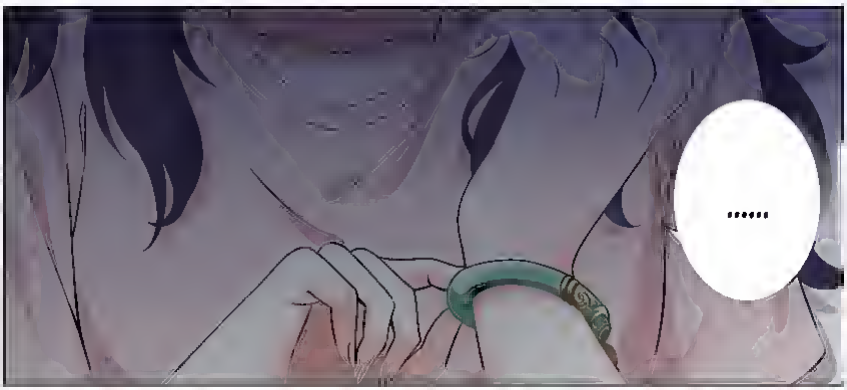
What do I do...?!
Why would a ghost appear in my home?!

Please let me express my gratitude...!
Ya.
Stay away! Get out!

The pillow...
passed through?!

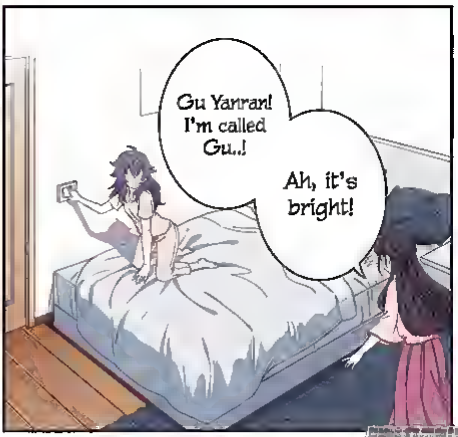
You... who are you! Why are you here?! Why did you find me?!
啪
Calm down first—
I don't know you at all!
Do you remember the bracelet you bought today?
The bracelet ...!
I am a spirit that was sealed in that bracelet. Because of your blood, the seal was lifted—
—Ai! Don't be this way! I won't harm you!
By contacting with your blood, it recognized you as its master, so you can't take it off!
I can't get it off...! Why did it get smaller!

I'm begging you!
Don't take it off!
..ugh..!
It's too tight..!
After being sealed, I lost my memories of my past
If I can't recover them... I won't ever be able to reincarnate!
It's been nearly a century...
I don't
want to go back!
So...



.....

What was your name again?
Ah!

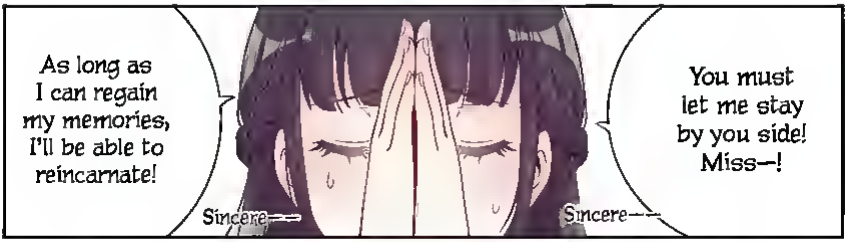


Gu Yanran! I'm called Gu..!
Ah, it's bright!

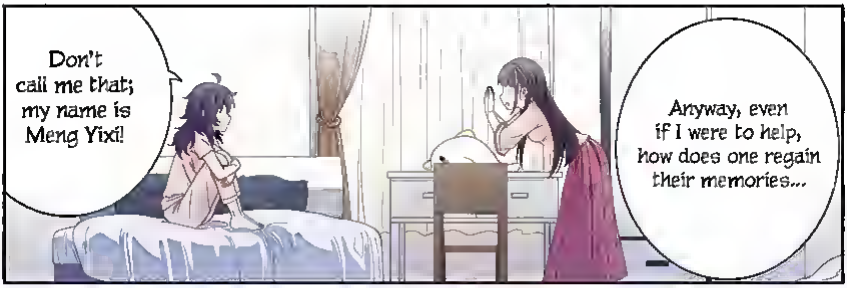
According to what you just said...
you'll always accompany me?

Yes—
Ah! But, but!

Don't worry! Other than you, no one can see me!
Moreover, I can protect you! So——



As long as I can regain my memories, I'll be able to reincarnate!
You must let me stay by you side! Miss—!
Sincere—
Sincere—



Don't call me that; my name is Meng Yixi!
Anyway, even if I were to help, how does one regain their memories...

You're so kind! You'll definitely help me, right? Xiao Xi!
Don't call me Xiao Xi!

Just—just let me maintain this state, and we'll definitely find a way!
And when would that be...

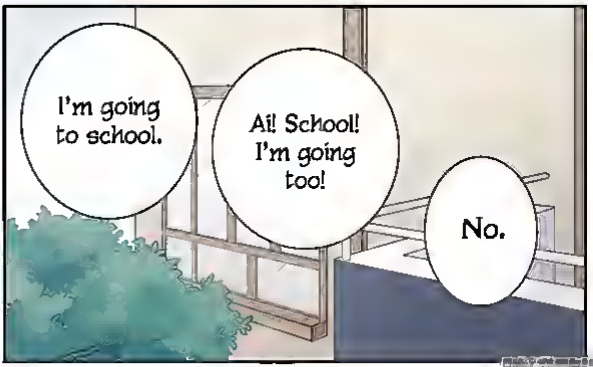
...a dream?

Yeah, how could something like a sealed spirit be real——
Morning~ Yixi!

.....

Get off!
Ai! Whyy!

Don't wear shoes on the bed! It's common sense!
But, as a spirit, my shoes aren't dirty!



I'm going to school.
Ai! School! I'm going too!
No.

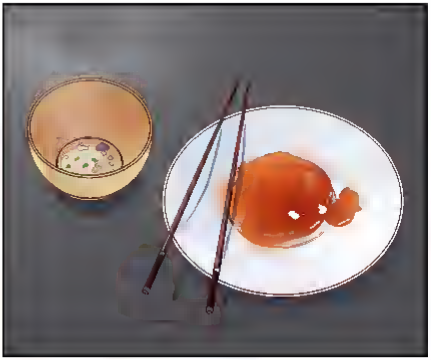
Why, why! No one will be able to see me!
Because it's bothersome.
Brush
Brush
I won't talk or bother you.
I'll follow you from behind quietly, okay?
Okay? Okay?!
Okay?!
Sparkle
Let's go together!
Annoying

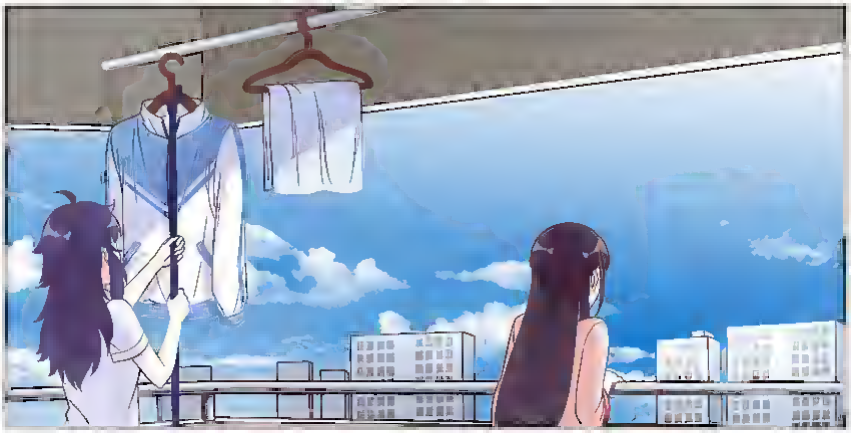
But, you know...
En?
You aren't from this time period, huh?
Today's technology—cell phones, Internet—do you really understand them?
Cell... phones?

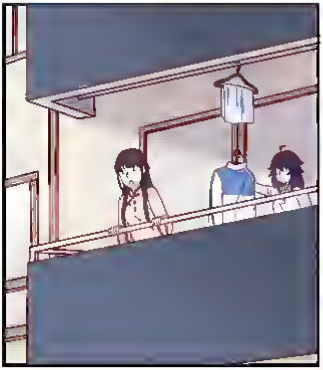
You don't, right?
How can I carelessly bring you out in public like this? What if something happened...

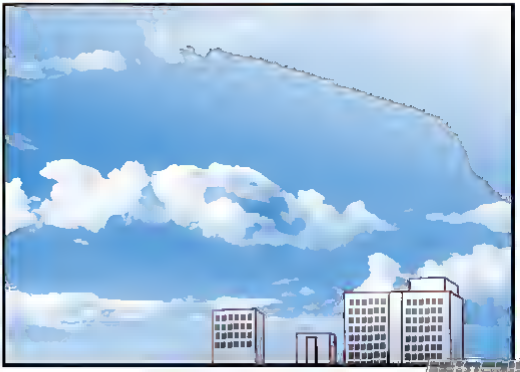
There won't be any problems!
I'll learn by watching. It's a good quality of mine to ask if I don't understand!

...That so.









Yixi,
I want to stay with you. Is that okay?

Then, from now on, let's agree on three clauses!
So it's okay then!
Remember,
when we're outside, don't talk to me unless it's absolutely necessary.
Yes!
If you don't understand something, don't do anything!
Also... en... I'll add more when I think it up, okay?
Yes!

Originally, I thought I would continue living my ordinary, uninteresting life—

I never expected someone like Gu Yanran to appear,

That idiot!
?
Yixi, come look! What's that?! So—— cool!
Gu Yanran! School is this way! Come back!
and send my train of life in a whole new direction——
